Plus: Early Graduates ***	(t)	NA				
February Adjusted Enrollment [k - l - m - n - o - p - q - r - s + t]	(u)					
Avg. Enrollment [(j + u) divided by 2] - Don't round.	(v)					
Pupil Instruction Related (PIR) Days - for same year as two enrollment counts (usually 7)	(w)					
Total Days Funded, including PIR days: (180 plus number of PIR days on line (w))	(x)					
Current Year ANB [(v times x) divided by 180] Always round up to next whole number.	(y)					
Prior Year Current Year ANB	(z)					
Two Years Prior Current Year ANB	(aa)					
Three Year Average ANB = [(y) + (z) + (aa)] divided by three (round up)	(bb)					

Note: *Pre-Kindergarten is "enrolled" but not permitted for ANB

**See hour requirements in ARM 10.20.102(7)

****Early Graduates" are high school seniors who complete graduation requirements in 7 semesters, and are no longer enrolled as of the February count date.

Other Notes: (1) If official count day is not a school day for your district, use the next pupil-instruction day.

(2) If student is absent more than 10 consecutive days as of the count date (excused or unexcused), student cannot be included in the count of enrolled pupils
